My dear Mr.

You have already received a Government Order -- stating that for the present applications for issuing coffee loans under the scheme recently sanctioned are to be received and dealt with by you. The Special -- Officer mentioned in the order will be appointed only if it is absolutely necessary to do so. The forms referred to in the Government order are being printed and will be supplied to you in the course of a few days. I am directed to write this confidential letter to you to impress on you the necessity of dealing with the applications with the necessary promptitude and tact. The soundness of the security taken for the loan must be the primary consideration. Government look to you to see that in every case, the security is such as to ensure the recovery of the loan punctually on due date. You may of course utilise the knowledge and help of the -- Advisory committee as far as possible, but it must be also clearly recognized that as the authority sanctioning the advances or recommending them to Government, the primary responsibility for seeing that the money is quite safe, rests with you. This communication may kindly be treated as strictly confidential and personal.

With reference to Government Order No.Fl.6518-68, dated 4th May 1918 requesting to send the names of three gentlemen, two of whom should be Coffee Planters of standing whom may form the Consultative Committee for this District, I have the honor

of the Committee. Out of these Mr.Chokkanna who is a Coffee Planter of standing has given his consent to serve on the Committee while Mr.L.P.Kent who was at first willing to be one, has since withdrawn himself on the ground that he has to inspect and report on every estate requiring advances which would be a huge undertaking leading to the travelling ~~the travelling~~ of hundreds of miles in a month for which he had neither time nor the means of getting about. It will not be strange if Mr.Chokkanna also advances the same inconveniences if he is asked to travel and inspect each estate before recommending grant of loans.

2. As regards Mr.Meppen he has since written to say that he has asked the permission of the Secretary to Government to join the Committee.

With reference to your letter No. Fl.7202-3 dated 29th May 1918, desiring me to send the names of three gentlemen to form the consultative committee to deal with applications of ~~coffee~~ Coffee planters for loans, under G.O. No. Fl.6456-68, dated the 2nd May 1918, in this District, I have the honour to state as follows:--

There are only four coffee planters in this District. They own coffee estates in the Chamarajanagar Taluk and their names are noted in the margin. Mr. H.J. L. Sir,

With reference to paragraph 4 of Government order (E
No.Fl.6456-68 dated 2nd May 1918 sanctioning a scheme for the grant of special loan to Coffee Planters in Mysore, I have the honour to state that the time for receiving applications now fixed up to -- 30th June 1918 has to be extended by another month as the Planters were not supplied with the necessary forms which were received only on the 11th June 1918 and were sent to the taluks for distribution. Only half a dozen applications have been received till now and the extension of time now suggested seems quite necessary so that all the borrowers may avail themselves of the advantages offered to them by Government.

2. In regard to the formation of a Consultative -- Committee, I have as suggested in your letter No.Fl.7652/G.F.-- (L 226-17-7 dated 11th June 1918 written to two other non-official gentlemen and will report their names as soon as I hear from them.

3. As all loan applications have to be thoroughly -- investigated before any advance could be granted in each case, -- I think it necessary to depute the Sub Division Officer, Tarikere to deal with the applications relating to his Sub Division, so that those pertaining to the taluks under my direct charge may be disposed of early by me. This will facilitate -- prompt disposal of the work within the prescribed time and I request
